USER FEE BASED RESIDENTIAL CLEANUP PROGRAM FOR THE DISPOSAL OF BULK WASTE INSTRUCTIONS AND PERMIT APPLICATION

The 2016 User Fee Based Residential Cleanup Program of Type 13 Solid Waste (BULK) is available to residents through the purchase of a permit for \$90.00 to dispose of up to 750 lbs. of bulk waste. There will be two (2) programs in 2016, a Spring and Fall program, each is \$90.00. The permit is purchased by completing this application and submitting it with a check made payable to the Borough of Garwood. You will need to complete the section regarding which program you are interested in participating in. You may participate in both programs if you desire. The Spring program will run immediately following the Town Wide Yard Sale. The purpose of running the Town Wide Yard Sale and the Bulk Pick Up Program together is for the convenience of the residents to participate in the yard sale and then have what is not sold disposed of through this program. The Town Wide Yard Sale will run on Saturday, June 25 and Sunday, June 26, 2016 (rain or shine). The Town Wide Yard Sale authorizes residents to hold a casual sale of items of personal property on the designated dates without paying the \$4.00 fee. Advertising for the yard sale is done by the borough. To sign up to participate in the Town Wide Yard Sale, please check the appropriate area on the permit application. You do not have to participate in the yard sale to participate in the bulk program or vice versa. The Spring bulk program will begin on Monday, June 27, 2016 and continue for as many days necessary to complete the program in accordance with the number of permits sold. The Fall bulk program will begin on Monday, October 17, 2016 and continue for as many days necessary to complete the program in accordance with the number of permits sold. There will not be a Town Wide Yard Sale in the Fall. Participating residents will receive a permit in the mail one week before the program. If you do not receive the permit please contact this office immediately. The contractor hired by the Borough to pick up and transport the bulk is Waste Management of NJ. Residents do not pay the contractor nor should their representatives seek any form of payment from you.

If you have any questions concerning these programs please contact this office by e-mail at c-ariemma@garwood.org or by phone at 908-789-0710. All e-mail questions will be answered; however, if you do not receive an answer in a timely fashion, please call this office as your e-mail may have not been received.

BOROUGH OF GARWOOD BULK WASTE GUIDELINES

"BULK WASTE"- These items may include, but are not limited to construction/renovation materials, bathroom fixtures (e.g. bathtubs, toilets, sinks, furniture (e.g. chairs, tables, sofas, beds, desks, mattresses, sofa beds), doors, windows, lawn mowers, barbecues (gas and charcoal), rugs, fencing and posts, indoor/outdoor gym equipment, and other residential household items, of which Borough residents may seek to dispose (collectively, all of the above are referred to herein as "bulky waste"). This waste may include, but need not be limited to, waste classified by New Jersey's Department of Environmental Protection as Solid Waste Types 13 (bulky waste) and 13C (construction and demolition waste). Gasoline and oil must be completely removed from all equipment. This waste does not include appliances or white goods, ashes, household garbage, pool filters, rocks/stones, concrete, auto parts, liquids of any type, paint cans (oil-based & wet), vegetative waste, dirt, tree stumps, tree trunks, logs, any and all electronic waste or any and all hazardous waste. **The above items included in bulky waste have been provided solely as examples, and are not in any way a limitation of the type of items that the contractor may be required to collect, transport and dispose.**

Call (908)789-0710 if you are not sure regarding an item for disposal.

"BULK WASTE" items not picked up:

Materials that may be deemed dangerous or injurious to the health and welfare of the residents of the Borough of Garwood or the agents and/or employees of the municipality, such as poisons, acids, caustics, explosives, other hazardous wastes, soil, large rocks, boulders, broken concrete, or hot or warm ashes, are not acceptable for collection.

Materials required to be separated from residential or non-residential solid waste for recycling or other purposes are not accepted for collection.

"HOUSEHOLD GARBAGE" (i.e. food, etc.) will not be picked up by the "BULK WASTE" contractor in this program however if the regularly scheduled garbage pick up day coincides with your bulk pick up day, your household garbage will be picked up by the Garwood DPW. Household garbage should be placed at the curb away from the bulk garbage.

"HAZARDOUS WASTE" (i.e. paints, solvents, thinners, petroleum products, batteries, televisions, computer monitors, tires, all electronic waste) will not be picked up with bulk waste. To dispose of these items, residents need to contact the Union County Bureau of Environmental Services Hotline at (908)654-9889 or visit <http://ucnj.org/community/recycling> for the schedule.

CONDITIONS AND REGULATIONS

"BULK WASTE" amounts shall be limited to a total of 750 lbs. per permit. This publication contains the approximate weight of materials to assist residents in determining the 750 lb. limit. Residents may purchase more than one permit or may share a permit with neighbors, however only one address should submit the application and fee. The contractor will only recognize a single address per permit(s).

Christina M. Ariemma, Borough Administrator/Clerk is the authorized representative overseeing these programs on behalf of the Mayor and Council. Please contact her directly at c-ariemma@garwood.org or by phone at 908-789-0710.
