**RE: Resurfacing Sections of Fifth Avenue, Locust Avenue, Maple Street
and Second Avenue**

Dear Borough of Garwood Resident:

The Borough of Garwood with DLS Contracting, Inc. will be beginning the Resurfacing Sections of Fifth Avenue, Locust Avenue, Maple Street and Second Avenue. DLS Contracting Inc. will be performing necessary business operations in construction-related activities and/or critical infrastructure projects throughout the Borough of Garwood. Specifically, we will be providing for the removal and replacement of designated curbing, sidewalk, driveway apron, etc....

Work is anticipated to start on or about 4/9/2024. Please remember all work is **weather permitting** and delays may occur.

We ask that all vehicles be removed from the street, where "No parking" signage is posted. We will proceed past your home as quickly as possible and do all that we can to minimize inconveniences. We will do our best to allow for roadway and individual driveway access with minor interruptions.

We will be coordinating all ongoing roadwork with the Borough of Garwood Police Department. Vehicles parked in "No Parking" areas may be ticketed or towed.

We greatly appreciate your assistance and cooperation during this temporary inconvenience as we are making permanent improvements to your street. Please direct any questions regarding this project to DLS Contracting at (973)-661-4188.

Sincerely,
DLS Contracting, Inc.
