12, 27, 54 & 79 Third Avenue  
Garwood, NJ, 07027  
Hand Delivered

Dear Homeowner:

Please be advised that Midwest Construction, Inc., has been awarded the contract for Resurfacing of Sections of Second Avenue and Third Avenue. The contract involves replacement of curbs along Third Avenue and includes the removal of trees and replacement and/or repair of lifted/damaged sidewalks and/or aprons caused by Borough trees in the right-of-way. Tree removals are scheduled at your property. Work will commence on or about November 10, 2023 and will continue until completed. This office cannot determine when the contractor will address your specific location during the project.

This letter is to inform you that an area in the Borough right-of-way in front or near your address is part of this contract. No parking signs may be posted in order to accommodate the contractor or you may be asked to move your vehicle during the work. The Borough will deliver another notice when proposed drainage and curbing work is scheduled.

The Borough is repairing/replacing only the portion of sidewalk/apron that are damaged by Borough trees. If you wish to contract with the vendor for additional work, you may do so at your own expense. Please contact the vendor directly, Midwest Construction, Inc. 23 Dead River Road, Warren, NJ 07059. Midwest can also be reached at 973-412-8880 or by email at [midwest2@yahoo.com](mailto:midwest2@yahoo.com).

This project also includes the planting of new trees (multiple varieties) between the sidewalk and curb.

If you have any questions, please do not hesitate to contact Borough Engineer Mike Disko at [m-disko@garwood.org](mailto:m-disko@garwood.org) or Borough Administrator Kyle Harris at [k-harris@garwood.org](mailto:k-harris@garwood.org).

Your patience and cooperation during this process is greatly appreciated.
